## About This Game

Realistic cards games with emotions close to reality.

Adecke include six cards games. Cultural games played around china, europe and america since the old ages.

The six cards games can be played with differents variations and options. Adecke contain solo games. All games is accesible at anytime in the main menu.

You start the game and play. Very simple and quick. A good time, playing cards games, in front of a table, within a couple of seconds.

The six selected games contain differents kind of gameplay. The best of every style, and the best of all ludic cards games.

**The Bull :** Also named as the "150". The Bull is a cooperative game where you need to gather points previously bidded with your partner. You have to deal with two opponents. The goal is to get a total of 500 points (optionaly 300 pts). If you bid "The Bull" and get all points in a round, you win 500 pts. It's an all-in case where a tiny mistake can make you plunge under even, or loose the game.

**The Whist :** The Whist a.k.a "9" is a free for all game. You start at 9 points. Every time you win a turn, give you the opportunity to reach 0 pts. Trump cards must be a big part of your hand. Better be ready, even with your assets, your opponents keep cards that will make you fall apart.
